You are NOT officially canceled unless you receive written confirmation.

WEEKLY ACTIVITIES:

You will be emailed a final list of field trips and the site's weekly schedule prior to the start of camp. Swimming is programmed at regularly scheduled days and times and a field trip is scheduled once per week, weather permitting. We recommend that children come to camp with their swimsuit under their clothes on swim days so that they only need to "change" after swimming. Please pack underclothing in your child's backpack.

Field trips and swimming may change without advance notice if weather is inclement. The cost of each field trip is a part of your weekly fee (with the exception of Week #2's additional \$10 fee). The YMCA asks that campers not bring spending money for field trips. Campers should wear their camp shirt on field trip days.

CAMP STAFF:

All YMCA camp staff must have a high school diploma and experience working with children. Counselors are expected to attend extensive training, including orientation, first aid, water safety, and CPR. All Summer Day Camp Counselors attend extensive training, including orientation, child abuse prevention, first aid, water safety, and CPR. HARRISBURG AREA YMCA CHILDCARE HEALTH FORMS

According to OCDEL licensing regulations, every child enrolled must have a complete health form on file. Forms are included in the registration packet or you can request a form from the onsite staff. The form must include a physician's signature AND an updated immunization record. A printout of the immunization record alone is not acceptable.

Yearly inspections of PA state licensed child care programs are now unannounced. Meaning, our licensing representative may show up at the school any day and request to see any/all documentation on both the staff and children.

If you are contacted about missing paperwork for your child's file, please submit it as soon as possible so as to prevent your child from being suspended from the program.

If you have any questions, please contact your Childcare Director.

Parents/Providers fill in this part.

HARRISBURG AREA YMCA BEHAVIOR/DISCIPLINE POLICY

The Harrisburg Area YMCA child care programs are designed to furnish an atmosphere that provides structure, yet gives children a certain amount of choices. It is important that we value each child in our programs as an individual and respect the fact that each child is facing conflicting feelings about his or her self-image. As such, we realize that no child is perfect and that some children do and say things that they should not. However, we cannot allow a free-for-all environment where all behaviors are tolerated while disregarding the safety of every child enrolled in the program. Therefore, we are letting you know more about our policies and procedures regarding discipline. Enrollment in YMCA programs is a privilege, and failure to adhere to the policies will result in termination from the program.

- Any incident that a child is involved in which results in another's child's physical injury will be documented with a CONDUCT REPORT. The child who receives an injury, regardless of how minor, will get a documented ACCIDENT REPORT. Please be advised that it is possible for a child involved in an incident to receive both a CONDUCT and an ACCIDENT REPORT.
- 2. A parent or guardian must sign all CONDUCT and ACCIDENT REPORTS.
- 3. The YMCA encourages all children enrolled in any of our programs to understand the importance of values. The Harrisburg Area YMCA particularly stresses the values of caring, honesty, respect, and responsibility. The children in our CHILD CARE and DAY CAMP programs talk about these values on a regular basis and they are rewarded for adhering to them. Conversely, behaviors that are contrary to these values are not accepted. Examples of this include, but are not limited to teasing, taunting, name-calling, and encouraging others to exclude a child from the group. These behaviors will also result in a CONDUCT REPORT.
- 4. The YMCA will document on a CONDUCT REPORT any threat a child makes to bodily harm another child or staff person. The Y takes all threats seriously.
- 5. DHS Regulations require the staff be able to see and hear the children at all times. Whether off premises or at the Y facility, for the safety of all children in YMCA care, each child must remain with their assigned group at all times. The Y encourages children to work through their frustrations in an appropriate manner using words rather than aggressive actions. Leaving the group is never an acceptable response to a stressful situation. Failure of your child to follow this policy may result in suspension or dismissal of the program.
- 6. Should a child cause damage to any YMCA owned or leased property as a result of inappropriate activity or behavior, the Harrisburg Area YMCA reserves the right to assess the parent or legal guardian for any and all amounts necessary to repair or replace the damaged items or property.

A CONDUCT REPORT is intended to inform you, the parent or legal guardian, about a behavior that has occurred. We encourage you to review the report with your child and to discuss better ways to deal with the situation that transpired. Should you have any questions or concerns about the report, the staff at your child's site would be happy to discuss them with you. As with any disagreement, the viewpoint of the persons involved may vary greatly. If you cannot reach a resolution in your discussion with the staff, please call the School Age Child Care Director in charge of your child's site. Please remember that at no time is it acceptable for a parent or legal guardian to engage in an argument or threaten the staff who work with the children. Examples of such behavior include but are not limited to: loud voices in front of the children, foul language, or threatening physical harm. This type of behavior could result in your child's dismissal from the program.

The Harrisburg Area YMCA reserves the right to suspend or terminate the enrollment of any child who has been deemed to have an excessive number of CONDUCT REPORTS. Termination or suspension will also be considered if the severity of a specific incident is such that we feel that the safety of the other children or staff may be in jeopardy. Such decisions are not entered into lightly. When a decision of this nature is made by the Program Director and subject to the approval of the Executive Director, the circumstances surrounding the event(s) have already been discussed with all child care staff involved and with the parent or guardian of the child in question. Any incident which occurs in a Harrisburg Area YMCA program must be kept confidential; therefore, the outcome cannot be discussed with the parents of other children involved in the program.

If behavior becomes an issue, the YMCA will follow these steps:

CHILD'S NAME

- A CONDUCT REPORT will be filled out if a child has been warned once and unacceptable behavior continues. The parents must sign a copy, and the Childcare Office receives a copy.
- TWO CONDUCT REPORTS may result in a parent conference with the Childcare Director. Child may be suspended until a conference is scheduled.
- A THIRD CONDUCT REPORT will result in termination (credit will not be given).
- Physically fighting, kicking, hitting, continual use of inappropriate language to teachers and other children, or intentional damage of property will result in an IMMEDIATE CONDUCT REPORT and possible suspension or removal from the program with the parent financially reimbursing the YMCA for any damaged property.

If the YMCA must call the parent to pick up their child due to conduct reports, the parent will have one hour from the time of the call before late pick-up fees are assessed. Parents, staff, and children are expected to show respect and appropriate behavior to children, other parents, and staff. Abusive language, gestures, and/or actions will not be tolerated; termination of your childcare contracts will occur.

HARRISBURG AREA YMCA BULLYING POLICY

The YMCA encourages all children enrolled in any of our programs to understand the importance of values. The Harrisburg Area YMCA particularly stresses the values of Caring, Honesty, Respect, and Responsibility.

The children in our youth programs learn about these values on a regular basis and they're rewarded for adhering to them. Conversely, behaviors that are contrary to these values are not acceptable. This includes bullying. Bullying is when someone repeatedly and on purpose says or does mean or hurtful things to another person who has a hard time defending him or herself (aggressive behavior that is done on purpose). Forms of bullying can be direct or indirect. Examples of this include, but are not limited to, teasing, taunting, name-calling, and encouraging others to exclude a child from the group or rumor spreading. These behaviors will result in a CONDUCT REPORT and a parent being informed in person. Continuing behavior will result in suspension/termination.

It is important to us as an organization to recognize when a child is being bullied. We also want to recognize that both the child who bullies and the child being bullied will get help with any issues that might be causing this behavior.

Our rules against bullying:

- We will not bully others.
- We will try to help those who are being bullied.
- We will include others who are left out.

If we know that someone is being bullied, we will tell an adult at the program and an adult at home.

WORKING TOGETHER FOR SAFETY

Talk to your child about his or her experiences in YMCA programs, school, sports, and other activities.

Drop in on your child's programs.

Trust your instincts. Don't wait to tell someone if something seems "strange." Speak up!

Watch for warning signs of abuse:

- Unexplainable bruising or other physical markings
- · Disturbed sleeping or eating patterns
- Abrupt changes in behavior/anxiety, clinging, aggressiveness, withdrawal, depression
- · Fear of a certain person or place
- Discomfort with physical contact
- · A child who abuses other children

Listen and watch for signs of your child receiving special attention that other children or teens are not receiving, including favors, treats, gifts, rides, increasing affection or time alone, particularly outside the activities of school, child care, or other activities.

Every once in a while, ask your child these questions:

- Is anyone scaring or threatening you?
- Is anyone asking you to keep secrets?
- Has anyone said anything to you that made you feel bad?
- Is anyone touching you in a way that you don't like?

Encourage your child to tell you or another trusted adult if anything happens to him or her.

Read our Code of Conduct. If someone breaks it, let us know immediately.
